WORK EXPERIENCE

Roc Nation

Jan 2025 – Present

Digital Marketing & Strategy Manager

New York, NY

- Lead daily social strategy and content execution for Megan Thee Stallion across Instagram, TikTok, YouTube, X, Facebook, and Threads, managing a combined audience of 944M+ and growing Instagram from 31.8M to 33M followers in 3 months.
- Scaled Chicas Divertidas Instagram from 68K to 88.8K followers in 3 months (+31%), turning Megan's tequila brand account into a culture-driven community through trend response, IRL moments, and creator-led storytelling.
- Produced and published reactive campaign content tied to Megan Thee Stallion's surprise appearance at Cardi B's show, generating 1.7M+ views and driving measurable lift for a same-night Chicas Divertidas promotion.
- Run social for Roc Nation's flagship channels (2M on IG), spotlighting artists, creators, and tastemakers.
- Led creator partnership for Frito-Lay x Megan Thee Stallion x Nickelback, overseeing concept development, influencer rollout, and cross-functional execution for a multi-platform campaign under tight legal and broadcast timelines
- Owned social coverage of NBC x YouTube Olympics partnership: 54 platform-native assets across 5 channels in 5 days, capturing live moments and turning them into shareable, on-brand content in real time.
- Direct an external agency of 10 and 3 cross-functional partners across digital, PR, creative, management, and product to launch and scale Megan's brand portfolio: Hot Girl Swim (Walmart), Chicas Divertidas, and the Pete & Thomas Foundation.
- Direct full content production: shoot, edit, on-camera talent, BTS capture, event recaps, memes, and short-form video, working hands-on in CapCut, Premiere, and Adobe Suite.
- Used engagement and retention metrics to refine creative direction and campaign rollouts.
- Developed scalable social and content operations frameworks used across multiple teams to streamline onboarding, preserve institutional knowledge, and standardize creative workflows in a high-growth environment.

CollabxCollab

Apr 2025 – Jan 2026

Freelance Creative Strategist

New York, NY

- Lead brand partnership strategy for Fortune 500 clients including Victoria's Secret and Rockefeller Center, identifying culturally relevant niche communities and creators to amplify product launches and place brands in front of their actual target audience.
- Build 360 digital plans for each launch moment: brand and creator pairings, social-first content frameworks, IRL activation tie-ins, and platform-native rollout across IG, TikTok, and emerging channels.
- Translate cultural and audience insight into campaign concepts and visual-first pitch decks, driving ~30%+ engagement growth across activated moments.

Milk & Honey PR (now Attention Comms)

Aug 2024 – Jan 2026

Senior Account Executive | Account Executive

New York, NY

- Owned B2C social and B2B LinkedIn strategy for clients, building brand narratives that drove audience growth and strengthened brand reputation.
- Led storytelling and narrative development for brands, turning complex subject matter into accessible content across social, press, and owned channels.

- Produced multimedia content end-to-end: video scripts, op-eds, podcast pitches, infographics, newsletters, and pitch decks, shipping each story to the right audience on the right platform.
- Led messaging and narrative for client launches, campaigns, and reports, directing strategy, creative, and client teams to keep voice and story consistent across every touchpoint.
- Spearheaded new business pitches contributing to ~67% win rate; secured 3–5 top-tier placements per client per quarter.

Baobab ESG

Jun 2023 – Jul 2024

Freelance Social Media Coordinator

Remote

- Produced and published platform-native content across LinkedIn, Instagram, and X, translating dense ESG and impact-investing subject matter into accessible, scroll-stopping social-first storytelling.
- Ran content calendar, copywriting, design direction, and analytics in a fully autonomous capacity, shipping consistent output and reporting performance directly to founders.
